Overview

- Effective 15 Jan, COVID-19 vaccination became mandatory for all truckers entering Canada from the United States to avoid a two-week quarantine and a negative COVID-19 test before arrival.
- Similarly, beginning on 22 Jan, U.S. DHS began requiring non-U.S. individuals seeking to enter the United States via land ports of entry and ferry terminals at the U.S.- Mexico and U.S.- Canada borders to be fully vaccinated for COVID-19 and provide related proof of vaccination, as COVID-19 cases continue to rise nationwide. These new restrictions will apply to non-U.S. individuals who are traveling for both essential and non-essential reasons. They will not apply to U.S. citizens, Lawful Permanent Residents, or U.S. nationals."

Overall Assessment: (derived from information available on open sources):

- OPP is advising motorists to avoid travel on Hwy417 and Hwy416 in the Ottawa for Friday afternoon and Saturday due to major delays associated with the truck Convoy. [Link](#)
- Ottawa Police, the OPP and the RCMP as well as the City of Ottawa, are aware of and are coordinating a response to the progress of the various convoys.
- Since most government employees are working remotely, the disruption to government activities is expected to be minor.
- OP INTERSECT is indicating that this will be a significant and extremely fluid event that could go on for a prolonged period.
- Organizers of the protest have expressed the intent for a peaceful event, which is consistent with what has been seen in other areas where the convoy has stopped so far.
